Ref. Lawn Party

Attn. Mandy

Dear Mandy,

We are writing to thank you for the wonderful party you managed for us on July 13, 2007. As you are aware, this is the first time we have completely turned over control of a party to an outside firm. While we always contracted a caterer, we always maintained control of the menu items and the presentation, this was a first for us.

The food received rave reviews for both the quality and the presentation. Normally with a group of approximately 65 people, someone will have something negative to say about something. This time that was not the case, everyone had nothing but praise for your work. Your assistant was very personable and managed the bar and frozen drinks very professionally. Your selection of the provider of the roast pig was great. His presentation and the quality of the roast pig was a big hit with everyone.

Your decorations and music selections provided the final touch in setting the mood for a great summer luau party. Once again we say thanks and congratulate you for a job very well done. You will definitely hear from us to manage our next affair.

Sincerely,
